UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

JOFFREY LAGADIA,
Petitioner,
v.
BEN CURRY, warden,
Respondent.

No. C 08-4115 SI (pr)
ORDER TO SHOW CAUSE

United States District Court
For the Northern District of California

INTRODUCTION

Joffrey Lagadia, an inmate at the Correctional Training Facility in Soledad, filed this pro se action seeking a writ of habeas corpus pursuant to 28 U.S.C. § 2254. His petition is now before the court for review pursuant to 28 U.S.C. §2243 and Rule 4 of the Rules Governing Section 2254 Cases.

BACKGROUND

Lagadia states in his petition that he is serving a sentence of 15 years to life on a 1991 conviction in Los Angeles County Superior Court for second degree murder. His petition does not challenge that conviction but instead challenges a March 5, 2007 decision by the Board of Parole Hearings ("BPH") to find him not suitable for parole. Lagadia apparently filed unsuccessful habeas petitions in the state courts, including the California Supreme Court, before filing this action.

1 **DISCUSSION**

2 This court may entertain a petition for writ of habeas corpus "in behalf of a person in
3 custody pursuant to the judgment of a State court only on the ground that he is in custody in
4 violation of the Constitution or laws or treaties of the United States." 28 U.S.C. § 2254(a). A
5 district court considering an application for a writ of habeas corpus shall "award the writ or issue
6 an order directing the respondent to show cause why the writ should not be granted, unless it
7 appears from the application that the applicant or person detained is not entitled thereto." 28
8 U.S.C. § 2243. Summary dismissal is appropriate only where the allegations in the petition are
9 vague or conclusory, palpably incredible, or patently frivolous or false. See Hendricks v.
10 Vasquez, 908 F.2d 490, 491 (9th Cir. 1990).

11 Lagadia alleges in his petition that the BPH's decision violated his federal right to due
12 process because it was not supported by sufficient evidence of current dangerousness. Liberally
13 construed, the petition states a cognizable claim for a violation of petitioner's rights under the
14 Due Process Clause of the U.S. Constitution.

15 The court is aware that a decision in particular case pending in the Ninth Circuit may
16 provide guidance for the consideration of the petition. In Hayward v. Marshall, 9th Cir. Case
17 No. 06-55392, the panel's published decision, 512 F.3d 536 (9th Cir. 2008), was vacated when
18 rehearing en banc was granted on May 16, 2008. The en banc oral argument took place on June
19 24, 2008, and the parties have finished their original briefing, as well as two supplemental
20 rounds of briefing. There is no set date for a decision in the Hayward, however. Respondent
21 should not to seek a stay of this action pending a decision in Hayward. See Yong v. INS, 208
22 F.3d 1116, 1120-22 (9th Cir. 2000) (it is an abuse of discretion for a district court to stay a
23 habeas petition indefinitely pending resolution of a different case involving parallel issues on
24 the basis of judicial economy). As an alternative to a stay, the court will be receptive to a
25 reasonable request for an extension of time if a decision in Hayward is not issued by 30 days
26 before the date respondent's brief is due.

1 **CONCLUSION**

2 For the foregoing reasons,

3 1. The petition's due process claim warrants a response.

4 2. The clerk shall serve by certified mail a copy of this order, the petition and all
5 attachments thereto upon respondent and respondent's attorney, the Attorney General of the State
6 of California. The clerk shall also serve a copy of this order on petitioner.

7 3. Respondent must file and serve upon petitioner, on or before **June 26, 2009**, an
8 answer conforming in all respects to Rule 5 of the Rules Governing Section 2254 Cases,
9 showing cause why a writ of habeas corpus should not be issued. Respondent must file with the
10 answer a copy of all portions of the parole hearing record that have been previously transcribed
11 and that are relevant to a determination of the issues presented by the petition.

12 4. If petitioner wishes to respond to the answer, he must do so by filing a traverse
13 with the court and serving it on respondent on or before **July 31, 2009**. Petitioner's traverse may
14 not exceed 20 pages in length.

15 5. Petitioner is responsible for prosecuting this case. He must keep the court
16 informed of any change of address and must comply with the court's orders in a timely fashion.
17 Failure to do so may result in the dismissal of this action for failure to prosecute pursuant to
18 Federal Rule of Civil Procedure 41(b).

19 **IT IS SO ORDERED.**

20 DATED: March 16, 2009
