Today the parties engaged in a 1hour and forty-five minute telephone conference to discuss FRCP Rule 26 issues and the filing of a Stipulation Regarding Administrative Motion For Leave To File An Early Motion For Summary Adjudication. The parties intend to file said stipulation on or before December 10, 2008, which stipulation would extend the date for defendants to file responsive pleadings to a date after resolution of the contemplated motion for summary adjudication.

Defendants' responsive pleadings are due today, December 5, 2008 based on prior agreement between the parties. The parties, by this stipulation, request the deadline for responsive pleadings be extended five (5) days, to December 10, 2008, to allow time to file the Stipulation Regarding Administrative Motion.

IT IS HEREBY STIPULATED by and between the parties, through their respective undersigned counsel, that all Defendants in this action shall have an extension of time through and including December 10, 2008, within which to file a responsive pleading to Plaintiffs' Complaint.
