25)	

1 On July 16, 2010, the Court entered an order requiring that the parties file a motion
2 requesting leave to designate more than ten terms for construction no later than October 1, 2010.
3 To this end, the parties have met and conferred for the purpose of limiting the disputed terms to
4 no more than ten terms. The parties have made progress. Twelve terms and phrases, however,
5 are still disputed.

6 The parties believe that if they had an additional week they could possibly reach
7 consensus on no more than ten terms and phrases to designate for the Court to construe at the
8 *Markman* hearing scheduled for February 2, 2011.

9 Now, therefore, pursuant to Civil LR 6-2 and subject to the Court's approval, Nuance
10 Communications, Inc., on the one hand, and Image Recognition Integrated Systems Inc. d/b/a
11 I.R.I.S. Inc., Image Recognition Integrated Systems S.A. d/b/a I.R.I.S. S.A., and Image
12 Recognition Integrated Systems Group S.A. d/b/a I.R.I.S. Group S.A. (collectively, "I.R.I.S."), on
13 the other hand, hereby stipulate and agree that a party shall move for leave to designate more than
14 ten terms and phrases for the Court to construe no later than October 8, 2010.

15 This is the first extension requested for this deadline. The extension will not materially
16 impact the *Markman* or case schedule.

17 This stipulation is made in good faith and without any intent to cause delay or prejudice.
18 This stipulation is made to allow the parties to continue to work in good faith for the purpose of
19 agreeing on no more than ten terms and phrases for the Court to construe. Thus, the parties
20 respectfully request that the Court grant this one week extension based on the good cause showing
21 made here.
