Because Defendant has made an adequate showing that shortened time is appropriate (*i.e.*, because Plaintiff's deposition is upcoming as is the settlement conference), the Court **GRANTS** Defendant's request for shortened time. Plaintiff shall file and serve an opposition to Defendant's motion for a protective order by **May 19, 2009**. There shall be no reply. In addition, there shall be no hearing on the motion absent further order of the Court -- *i.e.*, at this point, the Court intends to rule on the motion for a protective order based on the papers only.

IT IS SO ORDERED.
