6	IN THE UNITED STATES DISTRICT COURT
7	FOR THE NORTHERN DISTRICT OF CALIFORNIA
8	TOR THE NORTHERN DISTRICT OF CALIFORNIA
9	EDWARD PALACIOS,
10	Petitioner,) No C 08-4470 VRW (PR)
11	
12	ý
13	BEN CURRY, Warden,
14	Respondent(s).
15	
16	Petitioner, a state prisoner incarcerated at the Correctional Training
17	Facility in Soledad, California, has filed a pro se petition for a writ of habeas
18	corpus under 28 USC § 2254 challenging the July 25, 2007 decision of the
19	California Board of Prison Hearings ("BPH") to deny him parole.
20	BACKGROUND
21	Petitioner was convicted of second degree murder in Los Angeles County
22	superior court. On March 21, 1986, he was sentenced to an indeterminate term of
23	15 years to life in state prison with the possibility of parole.
24	On August 3, 2005, the BPH held a parole suitability hearing, found
25	petitioner suitable for parole and set a parole date; however, the governor
26	reversed the BPH's parole suitability determination and revoked the parole date.
27	On July 25, 2007, the BPH held a subsequent parole suitability hearing
28	and found petitioner not suitable for parole.

1	Petitioner has unsuccessfully challenged the BPH's July 25, 2007 decision
2	in the state courts. On August 14, 2008, the Supreme Court of California denied
3	review of his petition for state habeas relief.
4	DISCUSSION
5	A. <u>Standard of Review</u>
6	This court may entertain a petition for a writ of habeas corpus "in behalf
7	of a person in custody pursuant to the judgment of a State court only on the
8	ground that he is in custody in violation of the Constitution or laws or treaties of
9	the United States." 28 USC § 2254(a).
10	It shall "award the writ or issue an order directing the respondent to show
11	cause why the writ should not be granted, unless it appears from the application
12	that the applicant or person detained is not entitled thereto." Id § 2243.
13	B. <u>Legal Claims</u>
14	Petitioner seeks federal habeas corpus relief from the BPH's July 25, 2007
15	decision to deny him parole, and a subsequent hearing for one year, on the
16	ground that it does not comport with due process. Among other things, petitioner
17	claims that the decision is not supported by some evidence in the record.
18	Liberally construed, petitioner's claim appears colorable under § 2254 and merits
19	an answer from respondent. See Sass v Cal Bd of Prison Terms, 461 F3d 1123,
20	1127-29 (9th Cir 2006) (finding that refusal to set parole date for prisoner with
21	15-to-life sentence implicated prisoner's liberty interest in release on parole
22	which cannot be denied without adequate procedural due process protections).
