STIPULATION AND ~~PROPOSED~~  
 ORDER EXTENDING DEADLINE FOR  
 ENE

Action Filed: September 29, 2008  
 Trial Date: February 8, 2010

24  
 25 Plaintiff Thomas Rosseter and Defendant Industrial Light & Magic, by and through  
 26 their respective counsel of record agree and stipulate as follows:

27 Counsel met with Daniel Bowling, ADR Staff Attorney, on March 4, 2009, to  
 28 discuss the scheduling of the ENE in the above-referenced matter. In light of the procedural status

Stipulation and Order.doc

1 of the case, counsel and Mr. Bowling discussed the benefit of extending the April 23, 2009,  
2 deadline for completing the ENE process.

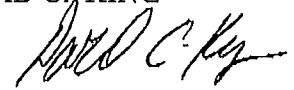

3 Specifically, Plaintiff has filed a motion for leave to amend his complaint, the  
4 hearing on which is scheduled for March 19, 2009. Should that motion be granted, counsel would  
5 appreciate an opportunity to engage in limited discovery to facilitate the ENE process. Mr. Bowling  
6 agreed with this approach and suggested that a three month extension should be a sufficient amount  
7 of time given the current status of the case and counsel's respective calendars.

8 On March 10, 2009, the Court notified the parties that Stephen A. McKae has been  
9 assigned as the evaluator in this case. Mr. McKae has since advised counsel, by letter filed with this  
10 Court, that a postponement of the ENE would be appreciated by him as well.

11 THEREFORE, in order to provide the parties with an opportunity to conduct  
12 discovery necessary for a meaningful ENE session, the parties agree to postpone the ENE deadline  
13 until July 23, 2009.
