Re: The Original Talk Radio Network Inc. v. YouTube, Inc., et al.

Dear YouTube, Inc.:

The information in this notification is accurate, and, under penalty of perjury, I state that this office represents the owner of an exclusive right infringed by the specified material. This office has been retained by The Original Talk Radio Network ("OTRN") to take such actions as may be appropriate, including without limitation initiation of legal action for all proper relief, with respect to your repeated and ongoing unlawful actions in posting numerous segments from OTRN's "The Michael Savage Show" ("OTRN Content") on your YouTube.com website, including without limitation those certain segments identified in the list of OTRN Content currently posted on your website as of 4 PM Pacific Time on September 26, 2008, which is set forth as Appendix A hereto.

By this letter, OTRN is hereby serving formal notice on you that such actions are in violation of OTRN's exclusive rights with respect to the OTRN Content, and formally demanding that you immediately remove all OTRN Content from your website, and cease and desist all further publications, broadcasts, and/or reproductions of any and all OTRN Content, *immediately*. OTRN further demands that you confirm in writing to OTRN, forthwith, that you have removed all OTRN Content from the YouTube.com website, and that no further OTRN Content will be posted to that website, or any other website under your control, in the future, except, if at all, as shall be expressly permitted under a written license agreement duly executed by an authorized officer of OTRN.

Please be advised that OTRN reserves all of its rights with respect to your wrongful conduct to date in posting OTRN Content without authorization. Please also be

advised that OTRN does not, by this letter, disclaim, release or speak for the separate rights of Michael Savage, and/or the separate rights of any other parties, with respect to any content appearing on your website, and/or their recourse with respect to your actions and conduct.

The nature and substance of the next communication from this office will be dependent, in part, on whether you take immediate actions to eliminate such unlawful actions on a going forward basis.

Respectfully,

A handwritten signature in cursive script, appearing to read "Carter Glahn".
