Plaintiffs,

vs.

COMCAST CORP.,

Defendant.

Case No.: 3:08-CV-04787-MEJ

**STIPULATION FOR FINAL
 APPROVAL OF CLASS ACTION
 SETTLEMENT AND ~~PROPOSED~~
 ORDER THEREON**

Date Action Filed: September 17, 2008
 Date Removed: October 17, 2008
 Trial Date: None

STIPULATION

This Stipulation is entered into by and between Plaintiff Shawn Blouin (“Plaintiff”) and Defendant Comcast Corp. (“Defendant”), based upon the following facts, as well as the concurrently-filed Declarations Eric Springer of Simpluris, Inc. and H. Scott Leviant:

1. On January 31, 2011, Plaintiff filed his Motion for Preliminary Approval of Class Action Settlement and noticed a hearing date of March 10, 2011.

2. On February 1, 2011, Chris Nathan, Law Clerk to Hon. Marie-Elena James, advised that if the parties agree to the terms of the settlement and believe a hearing is unnecessary the Court prefers for the parties to enter into stipulations for both preliminary and final approval, in lieu of briefing and setting a hearing date.

3. The parties fully executed the Joint Stipulation of Settlement and Class Action Release on January 20, 2011, and both parties are in agreement as to the terms of the settlement as set forth therein. The Joint Stipulation of Settlement and Class Action executed by the parties is attached hereto as Exhibit 1.

4. On February 3, 2011, the Court granted preliminary approval of the proposed class action settlement under the terms set forth in the Joint Stipulation of Settlement and Class Action.

5. Both parties agree that final approval of this settlement as set forth in the Joint Stipulation of Settlement and Class Action should be granted, as the settlement terms are fair, reasonable and adequate under Federal Rule of Civil Procedure 23(e) and the class reaction has been positive in that (1) there are no known objections, (2) there is only one known opt-out, and (3) well over 60% of the available work weeks have been claimed by class members.

6. Both parties believe that a hearing regarding final approval is unnecessary.

7. Both parties believe that a hearing regarding an award of attorney’s fees, costs and class representative enhancement award is unnecessary, given that

1 the class has had ample opportunity to access Plaintiff's Motion for Fees, Costs and
2 Enhancement Award, and object to those requested awards but did not do so.

3 Based on the foregoing, the parties stipulate as follows:

4 1. The parties' Joint Stipulation of Class Action Settlement and Release
5 should be finally approved;

6 2. The Court should enter the [Proposed] Order for Final Approval of
7 Class Action Settlement, submitted concurrently herewith; and

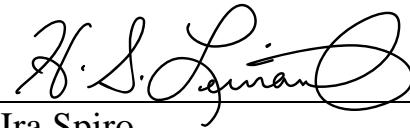

8 3. The Court should enter the [Proposed] Order for and Award of
9 Attorney's Fees, Costs and Enhancement Award, filed with the Court on or about
10 March 3, 2011.

11 IT IS SO STIPULATED.
