1 WHEREAS the parties respectfully submit that, it does not appear that it was the  
2 intent of the Court to provide the parties with so little time between initial motions in limine  
3 and oppositions, and given the expected time demands of completing oppositions to  
4 motions in limine, it would serve the aim of this Court and the interest of justice to continue  
5 the date for the filing and service of these oppositions to Tuesday, January 5, 2010.
