Re: Volterra Semiconductor Corporation v. Primarion, et al
Case No. 08-cv-05129 JCS

Dear Judge Spero:

We are writing in response to the Court's Order entered following the September 27, 2013 Case Management Conference requiring the parties to meet and confer regarding a mediation. *See* Dkt. No. 2014. Counsel for the parties have conducted preliminary investigations regarding possible mediators and their availability. As a result of the fact that Volterra was just last week acquired by Maxim Integrated Products and the transitions occurring as a result of that acquisition, however, Volterra is not in a position to yet meaningfully meet and confer regarding the selection of a mediator or a mediation date.

Volterra therefore requests an extension until October 25, 2013 to update the Court. Defendants are in agreement with the requested extension.

Dated: 10/15/13

Respectfully submitted,
