Re: Permission to admit Vanessa I. Lefort to present oral argument on March 5, 2010 in the matter of Volterra Semiconductor Corporation v. Primarion, Inc., Infineon Technologies North America Corp. and Infineon Technologies AG Case No.: CV 08-05129 JCS

Dear Judge Spero:

I am writing to request permission for one of our attorneys, Vanessa I. Lefort, State Bar No. 260687, to present oral argument at the March 5, 2010 hearing before the Court.

Your permission is needed because she is not presently admitted to the Northern District of California Bar. Per Local Rule 11, Ms. Lefort will bring the papers and check required for admission, noting that as to the Certificate of Good Standing she will have a fax copy. Of course, Ms. Lefort will promptly submit a certified original as soon as she receives one from the State Bar of California.

Our offices contacted counsel for Volterra regarding this matter and they do not object to your granting the requested permission.

Sincerely,

/s/ Terrence P. McMahon
