18 TO THE COURT, ALL PARTIES, AND ATTORNEYS OF RECORD:

19 On March 22, 2011, the entire case was settled as to all parties, through alternative
 20 dispute resolutions procedures. The settlement is unconditional and by its terms, a dismissal
 21 with prejudice of this entire action as to all parties and claims for relief will be filed by
 22 plaintiff not later than 15 days after this settlement.

23 Respectfully and in light of this settlement, it is requested that the Court vacate the
 24 upcoming case management conference scheduled for this Friday, March 25, 2011. Instead,
 25 it is requested that this case be rescheduled to a future date on which the parties are required

1 to show cause why the dismissal has not been filed or, if the dismissal has been filed, then
2 the case will be automatically closed by the clerk and a further appearance will be moot.

3 The undersigned agreed to provide notice of the settlement to the Court and to
4 request vacation of the March 25, 2011 conference. Plaintiff and its counsel do not object to
5 this notification of settlement or the request to continue the case management conference.

6 Respectfully submitted,

7 Date: March 22, 2011
