13 **ORDER OF DISMISSAL**

14 On December 15, 2008, the court denied pauper status for plaintiff and ordered him to
15 pay the full \$350.00 filing fee for each of these actions by January 5, 2009 or each action would
16 be dismissed. That deadline has passed but plaintiff never paid the filing fee for any of the
17 actions. Accordingly, each referenced action is dismissed because plaintiff failed to comply with
18 the order to pay the filing fee. The clerk shall close the file for each of the referenced cases.

19 IT IS SO ORDERED.
