Underlying Civil Action Pending in U.S.  
District Court for the Central District of  
California (Civil Action Case No.  
SACV07-00723)

**DECLARATION OF DAVE  
BAGSHAW IN SUPPORT OF  
OPPOSITION TO PLAINTIFFS'  
MOTION TO SHORTEN TIME**

**Honorable Wayne D. Brazil**

1 I, Dave Bagshaw, declare as follows:

2 1. I make the following declaration in support of my Opposition to Plaintiffs' Motion to  
3 Shorten Time to Respond to a Motion to Compel me to appear for a deposition. The statements set forth  
4 herein are based upon my own personal knowledge and I would testify as set forth if called as a witness  
5 at trial.

6 2. I am currently on a previously-scheduled family vacation and will not return until after  
7 the July 4th holiday.

8 3. I am the former CEO of Shutterfly and formerly also held senior positions at Silicon  
9 Graphics, Excite@Home and @ Home Networks.

10 4. I was a volunteer to The California Cars Initiative (TCCI) during the period December  
11 2006-May 2007 and since then have not been a volunteer with TCCI.

12 5. On May 27, 2008, I was met by a process server at my home. The process server  
13 appeared flustered as he shuffled a stack of papers. Finally, the process server handed me some papers  
14 but a check was not one of them. The process server never tendered me any witness or mileage fees.

15 6. To my knowledge, TCCI has no products or goods and I have played no role in  
16 promoting these non-existent products and have no knowledge of any information related thereto. I am  
17 further unaware of any instances of confusion between Plaintiffs and TCCI. Indeed, I had never heard  
18 of Calcar, Inc. or American Calcar Inc. prior to this suit.

19 I declare under penalty of perjury under the laws of the United States of America that the  
20 foregoing is true and correct to the best of my knowledge and belief.
