1 Pursuant to Civil Local Rules 6-2 and 7-12, Plaintiff Karl Storz Endoscopy-America, Inc.
 2 (“KSEA”) and Defendants Stryker Corporation and Stryker Communications, Inc. (collectively,
 3 “Stryker”), through their respective counsel of record, hereby stipulate to and jointly request the
 4 Court as follows:

5 1. By Order dated May 14, 2009 (Doc # 96-1), the Court entered an initial case
 6 management order. That order included the following schedule of deadlines and hearings:

8 Claim construction hearing	March 17, 2010
9 Fact discovery deadline	July 16, 2010
10 Deadline to disclose expert witnesses	July 16, 2010
11 Deadline to serve expert report(s) for which a party bears the burden of proof	August 20, 2010
12 Deadline to serve rebuttal expert reports	October 15, 2010
13 Expert discovery deadline	December 17, 2010
14 Deadline to file dispositive motions	January 21, 2011
15 Hearings on dispositive motions	April 21, 2011 (pending court availability)

16 Thus, the Court originally arranged the case schedule such that the close of fact discovery and the
 17 deadline to disclose expert witnesses would occur approximately four months after the claim
 18 construction hearing.

19 2. Due to the Court's unavailability, and pursuant to stipulation of the parties, the Court
 20 ordered on February 1, 2010 (Doc #186) that the claim construction hearing be continued from
 21 March 17, 2010 until June 23, 2010. Per the Order, Stryker's Motion for Summary Judgment of
 22 Non-Infringement, KSEA's Cross Motion for Partial Summary Judgment of Infringement, and
 23 KSEA's Rule 56(f) Motion to Allow Time for Necessary Discovery in Light of Pending Motion for
 24 Summary Judgment were also scheduled to be heard on June 23, 2010.

25 3. In order to maintain the originally intended amount of time between the claim
 26

1 construction hearing and the subsequent deadlines, the parties sought a continuation of those
 2 deadlines. Thus, by Order dated May 24, 2010 (Doc # 217), the Court set the following schedule
 3 pursuant to stipulation of the parties:

4	Fact discovery deadline	October 14, 2010
5	Deadline to disclose expert witnesses	October 14, 2010
6	Deadline to serve expert report(s) for which a party bears the burden of proof	November 18, 2010
7	Deadline to serve rebuttal expert reports	January 13, 2011
8	Expert discovery deadline	March 17, 2011
9	Deadline to file dispositive motions	May 26, 2011
10	Hearings on dispositive motions	July 7, 2011 (pending court availability)

11
 12
 13
 14
 15 4. By Clerk's Notice on June 2, 2010 (Doc # 218), the Court notified the parties that the
 16 claim construction (and summary judgment and Rule 56(f) hearing would be continued from June
 17 23, 2010 to September 1, 2010.

18 5. Despite the diligent efforts of the parties, the parties believe that additional time will
 19 be needed to fully and fairly conduct discovery. The new hearing date of September 1, 2010
 20 provides only a narrow window of time between the claim construction (and summary judgment and
 21 Rule 56(f) hearing and the close of fact discovery on October 14, 2010. Moreover, counsel for
 22 KSEA has recently discovered the existence of a large number of documents that are responsive to
 23 Stryker's discovery requests but have not yet been produced. KSEA has had difficulties procuring
 24 many of these documents, which are in the custody of overseas entities. The parties have had to
 25 postpone related discovery as a result, including the depositions of three individuals listed as
 26 inventors on the patents-in-suit.

27 6. To preserve approximately the original time interval between the claim construction
 28 hearing and the close of fact discovery (and the original time intervals between the other, subsequent

1 deadlines), and in light of KSEA's need for additional time to obtain and produce the documents
2 noted above, the parties propose the following modifications to the schedule (which extend the
3 current dates by approximately ninety days):

4	Fact discovery deadline	January 12, 2011
5		
6	Deadline to disclose expert witnesses	January 12, 2011
7	Deadline to serve expert report(s) for which a party bears the burden of proof	February 16, 2011
8		
9	Deadline to serve rebuttal expert reports	April 13, 2011
10	Expert discovery deadline	June 15, 2011
11	Deadline to file dispositive motions	August 24, 2011
12	Hearings on dispositive motions	October 6, 2011 (pending court availability)

13
14
15 7. Pursuant to Civil L.R. 6-2(a)(1)-(3), this stipulated request is accompanied by the
16 Declaration of William R. Overend setting forth (a) the reasons for the requested rescheduling; (b)
17 all previous time modifications in the case; and (c) the effect of the requested rescheduling.
