**STIPULATION AND [PROPOSED] ORDER
 CONTINUING CASE MANAGEMENT
 CONFERENCE**

1 Counsel for the parties hereby stipulate and request that the Case Management Conference in
2 this matter, currently set for September 23, 2010, be continued to October 7, 2010 for the following
3 reasons. Counsel for Defendant is attempting to take a vacation that week that had been previously
4 cancelled, and the Case Management Conference is the only conflict that would otherwise prevent
5 counsel from taking the vacation. In addition, counsel for Plaintiff is currently awaiting assignment
6 for trial in San Francisco Superior Court, and, subject to possible agreement to refer the matter to
7 arbitration, expects to be in trial for 2 to 3 weeks following assignment. Accordingly, counsel request
8 that the Case Management Conference be continued to October 7, 2010, or such other date as is
9 convenient with the Court.

10 Counsel have already met and conferred in person in preparation for the Case Management
11 Conference and preparation of a discovery plan.

12 The Court has not granted any postponements of Case Management Conferences since service
13 of process on Mr. Cabrera was completed. Prior to service of process on Mr. Cabrera, the Court
14 continued a case management conference once.

15 **SO STIPULATED.**
