Defendants.

**ORDER REGARDING
 SUBMISSIONS OF
 PLAINTIFF FREDERICK
 JACKSON IN SUPPORT
 OF AWARD OF
 ATTORNEY'S FEES**

A prior order determined that plaintiff Frederick Jackson, but no other plaintiff, is entitled to attorney's fees. Plaintiff's counsel was then given a deadline to submit documentation setting forth the amount of fees incurred in pursuing plaintiff Frederick Jackson's claims, and counsel did so. Defendants are granted leave to oppose the amount of fees requested in plaintiff's submissions, but not the entitlement that was established by prior order, by **DECEMBER 14, 2010, AT NOON**. Defendants may alternatively file a statement of nonopposition, as to the amount claimed, by that time.

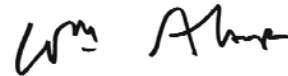

If defendants contend that any item or project is improperly claimed or excessive, then the opposition must explain why and provide a declaration setting forth completely all time expended

1 by the opposing party on the same and on similar projects, in the same format as plaintiff's
2 submission, so that symmetry may be considered. If any billing rates are challenged, then the
3 opposition must state the billing rates charged to the opposing party for all professionals
4 representing the opposing party in the case and their experience levels. The opposing declaration
5 must also indicate, as to each challenged project, the percentage of the project the opposition
6 contends was directed at issues on which fees are awardable, stating reasons for the percentage.

7 The opposing submissions may not simply attack the numbers in plaintiff's submission. It
8 must also set forth a counter-analysis. The counter-analysis should be in the same format as
9 plaintiff's submission, arriving at a final number. The opposition must clearly identify each line
10 item in the application challenged as excessive, improper, or otherwise unrecoverable and explain
11 why.

12 **IT IS SO ORDERED.**

14 Dated: December 2, 2010.
