1 Having considered Respondent Delta Electronics (Thailand) Public Company Limited's
2 Response in Support of Sony Ericsson Mobile Communications AB's Administrative Motion to
3 File Under Seal Portions Of Its Memorandum Of Points And Authorities In Support Of Its Ex Parte
4 Application For An Additional Writ Of Attachment ("the Memorandum"), this Court finds that the
5 Memorandum contains commercially sensitive information concerning financial transactions
6 between Delta and third parties, including the scheduling and amounts of such transactions. If this
7 information was released, both Delta and the respective third parties could suffer significant
8 economic harm as a result.

9 Therefore the Court **HEREBY ORDERS** the unredacted version of that said Memorandum be filed under seal.
