) Case No. CV 09-01529 SI

) CLASS ACTION

) ~~PROPOSED~~ JUDGMENT

) The Honorable Susan Illston

1 This matter came before the Court on November 15, 2013, at which time the Court held a  
2 fairness hearing regarding final approval of the parties' class action settlement agreement  
3 ("Settlement"). On November 27, 2013, the Court issued its written Order Granting Final  
4 Approval of Class Settlement (Dkt. 247) ("Final Approval Order"). Pursuant to Fed. R. Civ. P. 58  
5 and by stipulation of the parties, the Class now requests that the Court enter a final Judgment.  
6 Now therefore, **IT IS ORDERED, ADJUDGED AND DECREED** that:

7 1. Judgment is hereby entered pursuant to the terms of the Final Approval Order  
8 which are hereby incorporated by reference. All claims in this Action are dismissed with  
9 prejudice and, except as provided in the Settlement Agreement, without costs. The Court finds  
10 that there is no just reason for delay and expressly directs Judgment and immediate entry by the  
11 Clerk.

12 2. The capitalized terms used in this Judgment shall have the same meaning as terms  
13 defined in the Settlement Agreement as modified by the parties.

14 3. Without affecting the finality of the Judgment entered, the Court hereby reserves  
15 continuing jurisdiction as to all matters relating to the implementation, administration,  
16 consummation, enforcement, and interpretation of the Settlement and/or the Settlement Agreement  
17 and to enforce the Final Approval Order.

18 4. Due and adequate notice having been given to the Settlement Class, it is hereby  
19 determined that the Class Representatives and each and every Person within the definition of the  
20 Settlement Class, except those who filed timely and valid Requests for Exclusion as set forth in  
21 Appendix 1 hereto, and are identified in the reports filed with this Court by the Settlement  
22 Administrator, are bound by the Settlement Agreement and this Final Order and Judgment, and are  
23 hereby permanently barred and enjoined from commencing or prosecuting any action or  
24 proceeding in any court or tribunal asserting any of the Released Claims, either directly,  
25 representatively, derivatively or in any other capacity, against any of the Released Persons.  
26 Annexed hereto as Appendix 1 is a schedule of all Persons who have been excluded from the  
27 Settlement Class.
