 26 Curt Puckett, Defendant, and Specially-Appearing Counter-Defendant Axmor-Software

1 30, 2010 to September 3, 2010, as well as the corresponding joint case management
2 statement due date from July 23, 2010 to August 27, 2010. Defendant and Counter-
3 Claimant William Koperwhats and Defendant MiloSlick Scientific are not seeking this
4 continuance but do not oppose it.

5 The reason for this request is that the Court has not yet issued its Orders on the
6 Motions to Dismiss filed by the parties in the case. These motions have been under
7 submission by the Court since May 26, 2010 and June 2, 2010, and could result in the
8 elimination of claims and/or parties and could substantially affect the contents of the Joint
9 Case Management Conference Statement. The date chosen for the continued Case
10 Management Conference is based upon the availability of counsel for the parties.
