

1 that “the City hereby certifies that its privilege log produced on August 30, 2011 is true, accurate,  
2 and complete to the best of the City’s knowledge, information and belief.” Accordingly,  
3 Defendant’s request for a certification is denied as moot.

4 Defendant also seeks an order requiring Plaintiff to produce any litigation holds issued in  
5 connection with this case, even though Defendant did not previously seek discovery on this issue.  
6 Discovery closed in this case in June 2011, and Defendant has not made a showing that there is any  
7 reason to believe that Plaintiff has not preserved documents. Thus, Defendant’s request for  
8 discovery of any litigation holds is denied.

9 **IT IS SO ORDERED.**

10 Dated: October 17, 2011
