1 Q You didn't take any other action to set up the company
2 other than placing the telephone call?

3 A The Company Corporation assured me that no other action
4 was needed.

5 Q So it was by virtue of your placement of the telephone
6 call that you ultimately became the sole founding member of
7 ConnectU LLC, correct?

8 A Yeah, I - it sounds like a legal conclusion or something
9 that I set up a company, I placed a call and, you know, that's
10 what happened.

11 Q And it's your view that having done so that made you the
12 sole founding member of the company, correct?

13 A Well, the company was created I guess in my mind before
14 the phone call and the phone call realized it.

15 Q The company was created in your mind as a result of
16 discussions between you and your brother, Cameron, correct?

17 A It was my idea to set up the ConnectU LLC--

18 THE WITNESS: Can I change this mic around a little
19 bit cause, a little bit--

20 THE COURT: Yeah, you can move it as long as you just
21 keep it close to your mouth--

22 THE WITNESS: Yeah, all right.

23 THE COURT: --so that we can hear you.

24 THE WITNESS: I wasn't sure--

25 THE COURT: If you want to move it--

1 THE WITNESS: Yeah, I just--

2 THE COURT: --from side to side, no problem.

3 THE WITNESS: --feel like I'm throwing a shovel here.

4 A It was my intention to set up a company, ConnectU LLC, and
5 I went ahead and did that.

6 BY MS. HURST:

7 Q You had discussions with your brother, Cameron, first
8 before doing so, correct?

9 A I had mentioned that I was, it was, you know, like I said
10 it wasn't a surprise or that, I mean, Cameron knew that I was
11 going to go do that.

12 Q Who is Mark Pierrat?

13 A Mark Pierrat is the, I think he's the - well, he worked at
14 Imark and I don't know his title exactly--

15 THE COURT: I'm sorry, he worked at where?

16 THE WITNESS: He worked at Imark Company--

17 THE COURT: Okay.

18 THE WITNESS: --that programmed ConnectU.com. And he
19 was sort of their business, you know, guy, pick up the phone
20 and deal with the customers.

21 BY MS. HURST:

22 Q He was someone that you dealt with at Imark, correct,
23 Mr. Pierrat was?

24 A I had dealt with Mr. Pierrat, yes.

25 Q And at the time you placed the telephone call to the

1 Company Corporation--

2 A Uh-huh.

3 Q --or before the entity was formed but at that time period,
4 Harvard Connection was already dealing with Imark and Mr.
5 Pierrat in connection with the website development, correct?

6 MR. HORNICK: Objection, mischaracterizes.

7 A Yeah, I would say that--

8 THE COURT: Oh wait a minute. Hold on. If there's
9 an objection--

10 THE WITNESS: Sorry.

11 THE COURT: --please don't answer. I overrule the
12 objection and the witness can answer.

13 THE WITNESS: Okay. Sorry.

14 A Divya, Cameron and I were dealing with Imark to program
15 our website.

16 BY MS. HURST:

17 Q First as Harvard Connection and later as ConnectU.com?

18 A You could call it that I guess.

19 Q All right. So on April 6, 2004 when you placed the
20 telephone call to the Company Corporation Mr. Pierrat was known
21 to you?

22 A Yes, he was.

23 Q And he was known to your brother, Cameron?

24 A Yes, he was.

25 Q And he was known to Mr. Narendra?

1 A That's correct.

2 Q Isn't it true that you called the Company Corporation as a
3 result of Mr. Pierrat's recommendation to your brother Cameron
4 that Harvard Connection should form a legal entity?

5 A I believe that Mr. Pierrat may have made a suggestion but
6 he certainly wasn't the only person that suggested any type of,
7 you know, formation of a more formal company. And nor do I
8 believe that he was the sole impetus or reason for doing so.

9 Q But you concede that he did suggest that you form a legal
10 entity to your brother Cameron?

11 A I believe that I remember that that suggestion happened
12 but by no means do I see it for anything more than a
13 suggestion.

14 Q Just a suggestion?

15 A Sure. I mean that's, that's what you're calling it, then
16 that's what it was.

17 Q And that suggestion happened the day before you placed the
18 telephone call to the Company Corporation, correct?

19 A I, I don't recall. I don't know.

20 Q So it's just a coincidence that Mr. Pierrat suggested to
21 your brother Cameron on the day before you made the telephone
22 call that a legal entity be formed and the next day you went
23 ahead and did that?

24 MR. HORNICK: Objection. Assumes facts not in
25 evidence, Your Honor.

1 THE COURT: If that's the case he may disagree with
2 the statements of fact contained in the question. You may
3 answer.

4 A The idea to form ConnectU LLC was created well before a
5 day before the actual phone call was placed. For instance, my
6 dad has LLC's. I'm well aware of what LLC, that sort of people
7 do, and Mr. Pierrat was certainly not the first person to put
8 that idea in my mind or anybody else's.

9 Q So you had the idea long before you actually formed the
10 entity?

11 A It was before a day. I mean, it was something--

12 Q How--

13 A What?

14 Q I'm sorry, I didn't mean to interrupt.

15 A It was an idea that didn't happen a day after?

16 Q How long before did you have the idea?

17 A I can't recall exactly but it was more than a day.

18 Q Was it a week?

19 A I would say at least.

20 Q Was it a month?

21 A I, maybe.

22 Q Three months?

23 A I think that would have been too much. Too long.

24 Q Was it the launch of TheFaceBook that caused you to think
25 that you would like to form a legal entity?

1 A That could have definitely added to it.

2 Q So throughout the period in early 2004 from the launch of
3 TheFaceBook through the founding of ConnectU LLC you had in
4 mind that you would form a legal entity to carry on the
5 business of the website that you were working on; is that
6 correct?

7 A I had in my mind, there's many things in mind. I looked
8 into trade marking, I looked into formation of a company. That
9 was one of the many things that from, you know, not a
10 incredibly sophisticated business experience, I thought that
11 that was something that I needed to do. And that's how I was
12 acting. I mean as, you know, a senior in college, I was doing
13 what I thought was right to do and that was one of them.

14 Q Throughout the period from the launch of TheFaceBook to
15 the launch of the ConnectU, well, pardon me, until the
16 formation of ConnectU LLC, you personally were considering the
17 formation of a legal entity to conduct the business of your
18 website; is that correct?

19 A I was, I was, you know, I was considering the formation of
20 ConnectU LLC as a formal company to run the website, yes.

21 Q And you discussed that with your brother during that
22 period of time?

23 A Definitely mentioned it, yeah.

24 Q And you discussed it with Mr. Narendra during that period
25 of time as well, didn't you?

1 Q Well, let's take a look at the hearing Exhibit No. 80.
2 And if my colleagues could provide Mr. Narendra the copy of the
3 exhibit number.

4 (Pause)

5 BY MR. CHATTERJEE:

6 Q Do you see that Mr. Winklevoss?

7 A Yes, No. 8?

8 Q 8-0.

9 A Or 8-0, 80. Okay.

10 Q Is Exhibit No. 80's a declaration from you?

11 A Sorry, that's a question or?

12 Q Yes.

13 A You're asking me if it's a declaration?

14 Q Yes.

15 MR. CHATTERJEE: 80's a--

16 A It does not look to be a declaration.

17 BY MR. CHATTERJEE:

18 Q Oh. Well let me give you - if you take a look at request
19 for production No. 19.

20 A Okay.

21 THE COURT: This is in Exhibit 80 or not?

22 MR. CHATTERJEE: This is in Exhibit 80, I'm sorry.

23 THE COURT: Okay.

24 MR. CHATTERJEE: Mine were organized slightly
25 differently.

1 THE WITNESS: Okay, so I'm a little confused
2 where to go. I'm looking at 80 right now.

3 BY MR. CHATTERJEE:

4 Q If you look at request No. 19--

5 A Oh, okay.

6 Q Okay. There's a request in there. This is Exhibit No.
7 80.

8 A Okay.

9 Q Now request for production No. 19 asked you to produce all
10 documents related to current and former directors, officers,
11 employees and agents of ConnectU, including members, managers
12 and board managers as defined in the limited liability company
13 operating agreement of ConnectU LLC. We gave some Bates
14 ranges, Harvard Connect and Winklevoss companies, including
15 documents relating to dates in these positions, duties,
16 authorities and responsibilities. Do you see that?

17 A Yes, I do.

18 Q Okay. Now in response to that there was a motion to
19 compel filed, right? Are you aware of that?

20 A Yes.

21 Q And following that there was a court order?

22 A Yes.

23 Q You know that, right?

24 A Yes.

25 Q And in fact in that court order there was a requirement

1 that you produce a declaration that set forth that you had
2 made a complete production in response to that document
3 request, right?

4 A Yes.

5 Q And Exhibit 83 is that declaration, right?

6 A That's correct, yes.

7 Q And you specifically reference in paragraph 19 your
8 response, right? This is the--

9 A Yes.

10 Q --this is following quarter.

11 A Yes.

12 Q You did a diligent search. You produced all of the
13 relevant documents that were responsive to that request, right?

14 A Yes.

15 Q Now, what I've done with Exhibit 83, Mr. Winklevoss, is I
16 took all of the documents that were cited there by Bates
17 number. You now what a Bates number is, right?

18 A Sort of.

19 Q Okay. A Bates number are these actual numbers that are
20 identified on here. You find them typically on the bottom
21 right hand corner of the document.

22 A Right.

23 THE COURT: You know if you're going to use that
24 would you focus it--

25 MR. CHATTERJEE: Yes.

1 THE COURT: --and stop moving it around.

2 MR. CHATTERJEE: And I'm sorry, Your Honor, this is
3 kind of sliding off.

4 THE COURT: You're getting me dizzy.

5 MR. CHATTERJEE: I apologize.

6 BY MR. CHATTERJEE:

7 Q Now, Mr. Winklevoss, with respect to Exhibits 41 - 40, 41
8 and 42, can you show me where in that collection of documents
9 any of those documents can be found?

10 A I--

11 Q Feel free to look through them.

12 A I don't know the Bates numbers off the top of my head. Is
13 that what you're asking me?

14 Q I'll represent to you Mr. Winklevoss, I've gone--

15 A Okay.

16 Q --through each and every one of the Bates numbered
17 documents and I put them in that stack right there. You can
18 look through them and see if you can find Exhibit 40, 41 or 42.

19 A So you want me to look through the whole binder?

20 THE COURT: Is there any dispute that these are not
21 contained in there?

22 MR. HORNICK: Your Honor, these documents that I
23 believe that Mr. Chatterjee is going to be talking about were
24 produced after this discovery request was signed, and we have
25 an agreement in the two cases that any documents from any case

1 can be used in either case. So even if they weren't
2 produced in the California case--

3 THE COURT: No--

4 MR. HORNICK: --they can be used.

5 THE COURT: --no, I just want to know - let him do
6 want he wants to do. Is there any dispute that these are not
7 within that category of documents?

8 MR. CHATTERJEE: Your Honor, I'll represent to you--

9 THE COURT: No, I'm asking Mr. Hornick.

10 MR. CHATTERJEE: Oh.

11 MR. HORNICK: I don't know, Your Honor. I don't know
12 what these documents here are. I'm not really working on that,
13 I'm not working on that case. I don't know what these
14 documents are just by looking at these numbers.

15 MR. CHATTERJEE: Your Honor, the premise here is
16 quite simple.

17 THE COURT: Oh, I understand what you're trying to
18 do. I'm just, rather than having him look through all of them
19 to see if they're there, which might take a little bit of time,
20 and I was trying to shortcut things.

21 MR. CHATTERJEE: And I'll represent to Your Honor not
22 a single one of them is.

23 THE COURT: Well, I know, but you don't get - you're
24 not testifying and you're not under oath and you're not going
25 to be testifying, you're not going under oath. So how do you

1 THE COURT: All right, any objection to that?

2 MR. HORNICK: No, Your Honor. No objection.

3 THE COURT: All right, that's admitted.

4 (Defendant's Exhibit No. 67, admitted)

5 MR. CHATTERJEE: And then, Your Honor, my
6 understanding is you were going to submit Exhibit 83 which was
7 the declaration with the attached documents. I'd like to offer
8 that into evidence.

9 THE COURT: All right, wait a minute now.
10 Eighty--

11 MR. CHATTERJEE: Exhibit 83 was the declaration of
12 ConnectU LLC for all of the documents that were--

13 THE COURT: Oh right, right, right. Yeah, I'm going
14 to ask that - I'm not going to excuse Mr. Cameron Winklevoss as
15 a witness overnight. He's to go through the documents as
16 Mr. Hornick wished him to do and then to answer the question as
17 to whether they were included in the documents he listed in
18 response to that interrogatory.

19 MR. CHATTERJEE: Thank you very much, Your Honor.

20 MR. HORNICK: What documents particularly do you want
21 to know are in there?

22 MS. HURST: Your Exhibits 40, 41 and 42.

23 MS. CHATTERJEE: And particularly the handwritten
24 documents that he's relied upon to show membership.

25 THE COURT: Well wait a minute, wait a minute. We

1 want - is it forty--

2 MS. HURST: It is, Your Honor, Ms. Hurst--

3 THE COURT: Let's get the specific documents you're
4 referring to. Exhibits--

5 MS. HURST: Plaintiff's exhibits 40, 41 and 42--

6 MS. CHATTERJEE: Correct.

7 MS. HURST: --which are the two Connecticut
8 registration applications and the bank card.

9 MR. CHATTERJEE: Correct.

10 THE COURT: All right, 40, 41 and 42, Mr. Hornick.

11 MR. HORNICK: And whether they're in Exhibit 83 is
12 the question?

13 THE COURT: No, the question is whether they are
14 among the documents listed in that declaration as having been
15 produced.

16 MR. HORNICK: In 83?

17 THE COURT: Yeah.

18 MR. HORNICK: Yes.

19 THE COURT: It is 83, isn't it? Mr. Chatterjee--

20 MR. CHATTERJEE: Yes.

21 THE COURT: --83?

22 MR. CHATTERJEE: Yes.

23 THE COURT: Okay.

24 MR. HORNICK: Your Honor, we can stipulate that
25 they're not there.

1 THE COURT: Well, that's what I was asking you
2 about earlier.

3 MR. HORNICK: That's what I was saying, they were
4 produced after this was created so they couldn't have been
5 there.

6 THE COURT: All right. Then we don't have to worry
7 about that. It's stipulated that they're not included in the
8 documents listed in the declaration.

9 MR. CHATTERJEE: Thank you, Your Honor.

10 THE COURT: Okay. That takes care of that problem.
11 Okay, questions by counsel for Saverin?

12 MR. HURST: Yes, briefly, Your Honor.

13 BY MS. HURST:

14 Q Good afternoon, Mr. Winklevoss. My name is Annette Hurst,
15 and I'm an attorney for defendant Saverin. I think we've met
16 before, hello.

17 A Hi.

18 Q If you could turn to Exhibit 12 in the defendant's exhibit
19 binder.

20 (Pause)

21 A Okay.

22 BY MS. HURST:

23 Q In or about April 2004 were you familiar with a person
24 named Mark Perot?

25 A Yes.

CERTIFICATION

I, Maryann V. Young, court approved transcriber, certify that the foregoing is a correct transcript from the official digital sound recording of the proceedings in the above-entitled matter.
