Pursuant to Civ.L.R. 6-2(a), for the reasons set forth below, the parties to the above-captioned action stipulate to (i) an order extending the deadline for the completion of mediation in this action; and (ii) an order extending the date of the April 2, 2010 Case Management Conference to April 30, 2010 or to such other date as may be convenient to the Court.

STIPULATION

1. The current deadline for completion of mediation is March 10, 2010;
2. No trial date has yet been set in this action;
3. The parties and the appointed mediator, Jonathan Schmidt, have agreed on a mediation date of March 31, 2010 with a trial date of April 1, 2010;
4. The foregoing mediation date(s) will permit the parties to complete their respective pre-mediation discovery needed before a meaningful mediation can take place;
5. The date for the completion of the mediation should be April 16, 2010 so as to afford any time deemed necessary by the mediator to follow up with the parties, and for the parties to conclude any written settlement agreement that may result from the mediation;
6. The Court has calendared a Case Management Conference for April 2, 2010;

1 7. Because the Case Management Statement for an April 2, 2010 Case Management
2 Conference would be due to be filed with the Court prior to commencement of the mediation, the
3 parties respectfully request that the April 2, 2010 Case Management Conference be continued to
4 April 30, 2010 or such other date as may be convenient to the Court;

5 8. There have been no prior requests for the continuance or resetting of any previous
6 Case Management Conference;

7 9. Moving the deadline for completion of the mediation and extending the date for
8 the April 2, 2010 Case Management Conference would not affect any other deadline in the case;
9 and

10 10. Therefore, the parties stipulate that (i) the deadline for completion of the
11 mediation should be extended until April 16, 2010; and (ii) the Case Management Conference
12 currently calendared for April 2, 2010 should be extended to April 30, 2010 or such other date as
13 may be convenient to the Court.

14 IT IS SO STIPULATED.

~~PROPOSED~~ ORDER

The Court having considered the parties' stipulation to extend the deadline for completion of the mediation to April 16, 2010 and to extend the date of the April 2, 2010 Case Management Conference to April 30, 2010, and good cause appearing, the request is hereby GRANTED. The current deadline for completion of the mediation, March 10, 2010, is VACATED. The new deadline for completion of the mediation is April 16, 2010, and the April 2, 2010 Case Management Conference is re-calendared to 10:00 a.m. on April 30, 2010. PURSUANT TO STIPULATION, IT IS SO ORDERED.
