Case No. C09-02629 SI

**STIPULATION FOR PLAINTIFF TO
 SUBMIT TO INDEPENDENT MENTAL
 EXAMINATION**

1 Pursuant to Federal Rule of Civil Procedure 35(a) the Parties, by and through their
2 counsel of record, hereby agree and stipulate to the mental examination of Plaintiff, Freddie M.
3 Davis, and request that this Court grant said stipulation, as set forth herein:

4 1. Plaintiff's Complaint alleges that Plaintiff suffered "severe emotional and
5 mental distress, fear, terror, anxiety, humiliation, shame, embarrassment, and a loss of her sense of
6 security, dignity and pride as an American citizen," and that she has suffered "stroke level high
7 blood pressure, insomnia and other sleep disturbances, appetite disturbance, gastrointestinal distress,
8 weight change, crying jags, loss of self-esteem, anhedonia, social withdrawal, extreme anxiety, and a
9 sense of hopelessness and doom about her life." Plaintiff has also testified in her deposition that she
10 suffered from an inability to work or participate in activities as she previously had done, and that her
11 emotional distress and related issues as alleged in her Complaint are ongoing.

12 2. Plaintiff alleges that all of these alleged psychiatric damages are the result of
13 Defendants' alleged conduct, and that she did not previously suffer from such ailments prior to the
14 occurrence of Defendants' alleged conduct.

15 3. Plaintiff has placed her mental and emotional condition(s) in controversy, and
16 good cause exists for the subject examination.

17 4. Plaintiff will submit to a mental examination to be conducted by Dr. Mark
18 Steven Lipian, M.D., PhD. The mental examination will take place on a date mutually agreeable to
19 the parties and based on the availability of Dr. Lipian. The examination will occur at the office of
20 Dr. Lipian, located at 50 California Street, Suite 1500, San Francisco, California 94111. The mental
21 examination will consist of an eight (8) hour session with Dr. Lipian, including reasonable breaks,
22 including a lunch break of at least one hour will be provided. Dr. Lipian will not conduct
23 standardized testing as part of his examination.

24 5. The Parties agree that, should Dr. Lipian's calendar availability, in
25 conjunction with the availability of Plaintiff to sit for the examination, prohibit examination on or
26 before the discovery cut off date in this matter, Plaintiff will appear for examination on a date
27 thereafter notwithstanding the discovery cut-off but, in no event, will the examination occur later
28 than December 1, 2010.
