CASE MANAGEMENT CONFERENCE**

11 vs.

12 SAVIOR PLUMBING, INC.

13 Defendant.
14

15 The parties to this action, by and through their attorneys of record, hereby stipulate to a
16 request to the Court to continue the Case Management Conference hearing scheduled for October
17 30, 2009 for forty-five (45) days.

18 The parties have been discussing settlement since the filing of this action. However,
19 complicating this matter for Defendant is the expense of litigating this case through further court
20 appearances and filings versus contributing funds to settlement. In an effort to minimize cost to
21 Defendant while settlement discussions continue, and to maximize the chance of settlement
22 occurring, the parties ask this Court continue this Conference for 45 days. The parties have met
23 and conferred and agreed to this continuance to allow time for further settlement discussions.
24 The parties agree that the viability of settlement will be determined within this 45 day period.
