1. The Parties respectfully request that the Hearing on Plaintiff's Motion for Summary Judgment be continued from March 12, 2010, 9 a.m. to **March 26, 2010, 9 a.m.**

2. The Parties also respectfully request the deadline for expert designations be continued from March 15, 2010 to **March 26, 2010.**

3. These requests are made on the grounds that a short continuance of the motion hearing and the deadline for expert designation will allow the parties to devote all their resources to continued settlement negotiations. At the January 29, 2010 status conference, the Court indicated that a business solution may be available for this case and recommended that the Parties explore such a solution. Since the status conference, circumstances related to Defendants' business have changed, presenting an opportunity for a business solution to this dispute. The Parties have been and continue to diligently work towards settling this matter. Significant progress has been made and the Parties wish to continue negotiating an out-of-court settlement. Accordingly, the Parties respectfully request a continuance of the motion hearing from March 12, 2010, 9 a.m. to **March 26, 2010, 9 a.m.**, and expert designation deadline from March 15, 2010 to **March 26, 2010.**

IT IS SO STIPULATED.
