IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

MICHAEL D. NELSON,

No. C 09-02904 WHA

Plaintiff,

v.

**ORDER RE RECENTLY
FILED MOTIONS**

MATRIXx INITIATIVES, INC., a
Delaware Corporation, and ZICAM, LLC,
an Arizona limited liability company,

Defendants.

The Court is in receipt of counsel's responses to the request for the parties to indicate whether, in their judgment, granting defendants' motion for summary judgment of all claims based on lack of evidence regarding causation would be dispositive of the case. Defendants say yes. Plaintiff says no. The Court will rule on defendants' motion for summary judgment on the causation issue and, to the extent necessary to decide that motion, the motion(s) to exclude. Otherwise, all other recently-filed 35-day motions will be **HELD IN ABEYANCE** pending a decision on the motion for summary judgment on the causation issue.

IT IS SO ORDERED.

Dated: July 18, 2012.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE
