Whereas, the parties met in mediation under the Court's ADR program on July 1;

Whereas, the parties are continuing to discuss settlement under the supervision of the Court appointed mediator, Margaret Corrigan;

Whereas, in discussion among the parties and the mediator, it appears that the settlement discussions may require an additional two weeks to reach conclusion; and

Whereas, there has been one prior continuance of the July 2 motion deadline to July 9;

Now therefore the parties stipulate that the date for filing of the above motions be continued to July 23 in order to allow the parties time to complete the mediation and potentially avoid the need to file those motions, and that the date for hearing the motions be continued from August 16, 2010 to August 30, 2010. Futher, the case management conference now set for August 16,2010 should likewise be continued to August 30, 2010. The parties will file an updated joint CMC statement no later than August 20, 2010.

IT IS SO STIPULATED.
