On July 21, 2009, plaintiff filed her action together with an application to proceed in forma pauperis. On October 19, 2009, after this case was reassigned to the undersigned judge, the court granted plaintiff's application to proceed in forma pauperis. Doc #6.

18

There has been no further docket activity in this case. The order granting the in forma pauperis application directed the United States Marshals Service to serve the summons and complaint upon the defendant; there is no indication that this has happened.

22

Because nine months have passed since the court's order, the court requests that plaintiff reaffirm her intention to proceed with her lawsuit before steps are taken to effect service on the defendant. If plaintiff wishes to proceed with her lawsuit, she must file with the court, no later than July 30, 2010, a letter so stating. If such a letter is not received on or before July 30, 2010, this case will be dismissed without prejudice.
