I am readily familiar with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

Executed on November 13, 2009, at San Francisco, California.

I declare under penalty of perjury that I am employed in the office of a member of the bar of this court at whose direction the service was made, and that the foregoing is true and correct.
