It has become apparent that the defendants will require additional "damages" discovery before they will be able to engage in meaningful settlement discussions. In light of this, the parties and Magistrate Judge James have tentatively agreed to postpone the settlement conference until June 2, 2010 at 10:00 a.m., subject to the court's approval.

STIPULATION

In light of the foregoing, the parties hereby stipulate that the deadline for completion of the settlement conference be extended from April 6, 2010 to June 15, 2010.
