24 Plaintiff, TRANSBAY AUTO SERVICE, INC. (“Transbay”), and Defendant, CHEVRON  
 25 U.S.A. INC. (“Chevron”), hereby stipulate and agree as follows:

26 WHEREAS, on December 13, 2010, this Court continued the trial date in the above-  
 27 captioned action from January 10, 2011, to May 23, 2011.

28 WHEREAS, the parties have already filed their pre-trial documents, including their Joint

1 Pretrial Conference Statement and respective Motions in Limine.

2 WHEREAS, on Monday April 26, 2011, Transbay learned that one of its experts, Mr.  
3 Andrew Junius, has a scheduling conflict with the date currently set for trial, as he is getting  
4 married on May 21, 2011, and will be out of the country for his honeymoon until June 6, 2011.

5 WHEREAS, Chevron's expert, Mr. LeFevers of Deloitte, is available for trial the week of  
6 June 20, 2011.

7 WHEREAS, Chevron does not oppose Transbay's request for continuance, given the  
8 nature of Mr. Junius' scheduling conflict. However, Chevron wishes to make clear to the Court  
9 that its non-opposition to this application is without prejudice to Chevron's substantive contention  
10 in its Motion in Limine No. 4 (Dkt. No. 68) that Mr. Junius should not be allowed to testify in any  
11 event. Chevron assumes that the Court will rule on Chevron's objection to Mr. Junius' testimony  
12 at the time the Court deems appropriate.

13 THEREFORE, the parties hereto, by and through their attorneys of record, hereby  
14 stipulate as follows:

- 15 1. The trial may be continued to June 20, 2011.  
16  
17 2. In the event that June 20, 2011 is not available for trial on the Court's calendar, the  
18 parties request a telephonic conference with the Court to discuss an alternative trial date.

19 Dated: April 21, 2011

Respectfully submitted
