No. C 09-05617 WHA

**ORDER DENYING REQUEST
FOR DEADLINE EXTENSION
WITHOUT PREJUDICE**

16 On December 17, 2010, the fact discovery period was extended to January 21, 2011 for
17 the limited purpose of conducting two depositions. On December 21, 2010, Paleewong Trading
18 Co., Inc. filed a letter requesting (1) that the deadline to file dispositive motions be extended from
19 January 5, 2011 to February 11, 2011 and (2) that no dispositive motion be scheduled for hearing
20 prior to February 24, 2010. The letter does not represent that Paleewong conferred with Boon
21 Rawd Trading International Co. to ascertain its position on these requests.

22 Because this letter fails to comport with the requirements of Civil Local Rule 6-2 or 6-3
23 (as such a requests must do pursuant to Rule 6-1(b)), Paleewong's requests are **DENIED**.
24 This denial is without prejudice to Paleewong refiling its requests in conformity with the
25 applicable rules.

26 **IT IS SO ORDERED.**

28 Dated: December 21, 2010.
