STIPULATION AND ~~{PROPOSED}~~
ORDER RE DATE OF CASE
MANAGEMENT CONFERENCE

22 IT IS HEREBY STIPULATED AND AGREED by and among the parties hereto through
 23 their attorneys of record, that subject to the Court’s approval, the Case Management Conference
 24 (the “CMC”) currently calendared for May 14, 2010 at 8:30 a.m. is rescheduled to June 25, 2010
 25 at 10:00 a.m. Plaintiffs’ Motion for Conditional Collective Action Certification is also noticed to
 26 be heard by the Court on June 25th at 10:00 a.m. (Doc. 35).

27 This change in the schedule is necessary because Lead Counsel for Plaintiffs, Steven L.
 28 Wittels, is also counsel in a gender discrimination class action trial currently ongoing in the U.S.

1 District Court for the Southern District of New York, *Velez v. Novartis* (1:04-cv-9194).
2 Although it was expected that the trial would be completed by the currently scheduled date of the
3 CMC, it now appears that the proceedings will continue.

4 The CMC has been rescheduled one previous time by stipulation of the parties and
5 endorsement by the Court. A short postponement to June 25, 2010 will not affect the overall
6 schedule in the case as the parties will in the meantime continue with briefing on Plaintiffs'
7 collective action Motion and also proceed with discovery as outlined in the parties' Joint 26(f)
8 Report (Doc. 37).
