**STIPULATION AND [PROPOSED]
 ORDER TO REMOVE INCORRECTLY
 FILED DOCUMENT**

Pretrial Conf. Date: January 22, 2013
 Time: 10:00 a.m.
 Courtroom: 5, 17th Floor
 Honorable Edward M. Chen

Trial: February 4, 2013

1 The parties hereby stipulate, by and through their attorneys of record, that Exhibit 1 to
2 Plaintiffs' Opposition to Sunbeam's Motion in Limine No. 7, should be removed from the public
3 filings because they contain confidential information regarding Plaintiffs and their family.

4 On Friday, January 11, 2013, Plaintiffs inadvertently gave the confidential exhibit, docket
5 number 241-1, to Sunbeam for filing. This was not Sunbeam's error. The parties had agreed that
6 the moving papers and oppositions to each motion in limine would be filed by the moving party.

7 The confidential documents in Exhibit 1 are progress notes prepared by Denise Henderson,
8 M.D. of Sacramento County Health. Exhibit 1 was only to be attached to the copy of the
9 opposition served on Defendant and Chamber's copy. It was not intended to be filed with the
10 Court. Plaintiffs inadvertently gave it to Sunbeam to file when giving Sunbeam the electronic
11 version of the opposition papers to file. Plaintiffs stipulate that Sunbeam is not to blame for this
12 and the error was entirely Plaintiffs'.

13 Plaintiffs, therefore, respectfully request that the Court permanently remove docket entry
14 241-1 from the public file and the ECF/Pacer website. Sunbeam stipulates that it can be
15 permanently removed from the public file and the ECF/Pacer website.

16 IT IS SO STIPULATED.
