Re: Notification of Claimed Infringement Pursuant to 17 U.S.C. § 512

Dear Ms. Carroll:

My client, Daniel M. Miller, is the owner of all right, title, and interest in copyright, and other intellectual property rights, in the text, source code, content, layout, user interface, graphics, design, and audiovisual components of the flash video game application *Boomshine*, Registration Number TX0007089855. Mr. Miller's copyright is being infringed by a flash video gaming application entitled *Chain Rxn* by Zwiggler's Mobile that is available thru Apple, Inc.'s websites <http://itunes.apple.com/us/app/chain-rxn> and <http://itunes.apple.com/no/app/chain-rxn-free> (screen shots of which are attached hereto for your reference and review.) The *Chain Rxn* application is substantially similar to Mr. Miller's *Boomshine* application and directly infringes Mr. Miller's copyright. Furthermore, the *Chain Rxn* application is not authorized by Mr. Miller in any manner whatsoever, nor is it authorized by applicable law, and is the subject of pending copyright infringement litigation in the Northern District of California, San Francisco Division (CV-10-264-WHA).

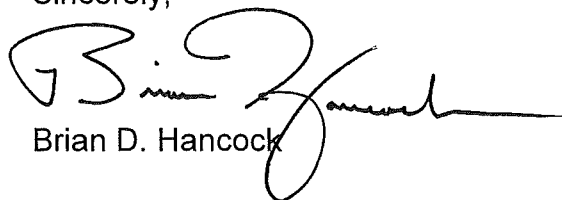

Accordingly, pursuant to 17 U.S.C. § 512, Mr. Miller requests that Apple remove all access by third parties to *Chain Rxn* through any of Apple's websites, remove *Chain Rxn* from Apple's application directory, and take all other action necessary to prevent further infringement of Mr. Miller's intellectual property rights. Upon information and belief, the telephone number and email addresses at which the infringing Zwiggler's personnel can be reached is (917) 345-4543, yeoyaowei@gmail.com, and/or zwiggler@gmail.com.

I swear, under penalty of perjury, that the information in this letter is accurate, to the best of my knowledge, and that I am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

DMCA Notice to Apple, Inc.

Chain Rxn By Zwiggler's Mobile

[View More By This Developer](#)

Open iTunes to buy and download apps.

Description

Chain Rxn is finally available for the iPhone and iPod Touch!

Chain Rxn is a simple but addictive game where you try to create the longest chain of explosions with just one tap!

Touch the iPhone screen to start an explosion that causes a chain reaction when it comes into contact with other balls.

There are 12 levels to complete.

8 million users and 300,000 fans on Facebook can't be wrong!

Play Chain Rxn online at:

FB Connect Broken
by Jim U

Fun game, but facebook connect makes the game crash.

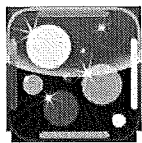

cool game
by insipid87

simple idea, excellent implementation.

This game is a must!
by Nate Yatel

I really love this game! Best way to pass spare time~ challenging yet simple! also love how I can return to my previous game even after quitting it to answer calls~ Highly recommended :)

Greit spill men..
by Fredrich

Dette spillet er greit nok men de klarer å stappe inn 10 sekunders reklame heletiden slik at det blir forferdelig å spille! Man slipper reklame om man betaler for spillet men det er for få level til at det skal være verdt pengene!
