Information

Category: Just for Fun -
Description: Boomshine is an interesting, colourful, musical, chain reaction game in which the objective is to make the dots go away. There are 12 levels. Perform a 'Boomshine' by clearing all of the dots on the screen.

I was really surprised to find that there are a bunch of groups made for Boomshine. It's like there is a Boomshine cult growing?

Post #1

I just wanted to thank everyone for playing! It was a pleasure to make, and it is very rewarding to hear positive comments from others.

I'm currently working on Boomshine 2 and would love to hear suggestions!
