Julio,
I am more than willing to engage in a telephonic meet and confer prior to the hearing next week. I'm leaving town tonight for the Thanksgiving holiday, but you can reach me on my cell phone at 205-746-4993. I will be three hours ahead of you guys. What time do you propose?

Brian,

We can discuss this in greater detail after the telephonic hearing, but we propose that the parties schedule a telephonic meet and confer regarding the pending discovery disputes some time before the holiday. I have large blocks of time available tomorrow. There's no reason to waste everyone's time--including your travel time to California on the holiday weekend--on something that can just as easily be done over the telephone.

O

ORRICK
