WHEREAS the Court has requested that the parties stipulate to the authenticity of all offered trial exhibits.

WHEREAS the Court has overruled TVI's objections relating to authenticity and other issues with respect to Sony's use of alleged Microsoft §102(g) prior art, including purported source code for Windows 95 pre-builds.

WHEREAS TVI agrees to withdraw its authenticity objections for all remaining trial exhibits.

TVI HEREBY STIPULATES that all trial exhibits, including alleged prior art references, are authentic under Fed. R. Evid. 901 for purposes of this trial. By so stipulating, TVI does not (1) waive any of its other objections, including its overruled objections to Sony's alleged Microsoft §102(g) prior art, (2) admit or concede that any otherwise objected-to exhibit is admissible, or (3) admit or concede that alleged prior art references constitute actual prior art.

Respectfully submitted,
