 28  
 STIPULATION AND [PROPOSED] ORDER  
 RE: DISMISSAL WITH PREJUDICE

(NO. 3:10-CV-01074-JSW)

1 The Parties to the above-entitled action jointly submit this Stipulation and [Proposed]  
2 Order requesting dismissal with prejudice. The Parties reached a complete settlement of the named  
3 Plaintiffs' claims in the above-captioned matter.

4 As part of the informal discovery process leading up to the parties' settlement,  
5 Plaintiffs' were provided with, and reviewed, a document issued by the federal Department of  
6 Transportation ("DOT"), dated October 9, 2008, which document contained the results of a DOT  
7 inspection regarding Bauer's (DOT# 1083917) compliance with federal hours of service regulations  
8 requiring the completion of a Record of Duty of Status ("RODS") form.<sup>1</sup> The driver of the vehicle  
9 in question was, at that time, engaged in performing "corporate" services, as that term is defined in  
10 Paragraph 11 of the Second Amended Complaint (Document No. 33) on file in this matter. Plaintiffs  
11 (through their undersigned counsel) and Bauer's agree that this DOT investigation demonstrates that,  
12 as of October 9, 2008, the DOT had the power to regulate Bauer's corporate drivers' hours of service  
13 within the meaning of 29 U.S.C. § 213(b) and Section 3(L)(1) of California Industrial Commission  
14 Wage Order 9-2001. Plaintiffs' counsel agree they have received the above-referenced document.

15 Thus, the Parties, through their undersigned counsel, respectfully request that the  
16 Court enter this Stipulation as an Order.

17 **IT IS SO STIPULATED.**

18 Each of the undersigned certify that the content of the foregoing document is  
19 acceptable to all persons required to sign the document and authorization to electronically sign this  
20 document has been obtained.
