STIPULATION TO AMENDED MEDIATION DATE

Pursuant to the agreement of the parties as set forth in the Joint Case Management Conference statement dated July 16, 2010, mediation is to be completed by October 4, 2010.

The parties have determined that settlement prospects are enhanced if they can continue negotiations prior to mediation, and such negotiations are ongoing.

The parties therefore agree to extend the time for completion of mediation to October 25, 2010, which will allow them to receive responses to outstanding discovery, communicate with their clients who are out of state and out of country, and perhaps resolve this case.

The parties request the Court approve this change in schedule for mediation.

Respectfully submitted,
