21 DECLARATION OF BRUCE J. HIGHMAN

22 I, Bruce J. Highman, hereby declare:

23 1. The reason for this stipulation is that I have been on vacation with my wife starting June
24 22 and will return to San Francisco late at night on June 30, 2010. My first day back in the office is
25 July 1, 2010. I need the one day extension to July 1 on plaintiffs' oppositions to the motions to
26 dismiss so that I can complete the oppositions on my first day back in the office rather than on
27 vacation.

28 2. When I asked defendants for the one day extension on the oppositions to the motions to

1 dismiss, they then asked that their oppositions to plaintiff's two motions be extended one day to July
2 1 also, and their replies regarding the motions to dismiss be extended one day to July 8. I agreed to
3 defendants' request which I thought was reasonable.

4 3. This stipulation does not change the date of the hearing on the four motions which is July
5 21, 2010. I note that the papers filed in support of the four motions are all short.

6 I declare under penalty of perjury under the laws of the United States that the foregoing is
7 true and correct, and that this declaration was executed on June 28, 2010.
