RECITALS

WHEREAS:

1. On November 12, 2012, the parties filed a Joint Notice of Settlement of Case and Request to Vacate Supplemental Class Certification Briefing, along with a proposed order.

2. On November 14, 2012, the Court entered the proposed order filed by the parties, and ordered that a Motion for Preliminary Approval of the class action settlement be filed within 30 days, *i.e.*, on or before December 14, 2012, and that the parties attend a case management conference on January 11, 2013.

3. Since the Court's November 14, 2012 order, the parties have exchanged drafts of a formal settlement agreement, and have met and conferred on the few outstanding details to be resolved.

4. The parties need further time to finalize the settlement agreement, obtain full client approval, prepare all exhibits to the agreement, and prepare the motion for preliminary settlement approval.

5. The parties will have difficulty meeting the December 14, 2012 deadline to file the motion for preliminary settlement approval. Lead counsel for Defendant Wells Fargo Bank and one of Plaintiffs' lead counsel both have several depositions in other matters scheduled between today and the December 14, 2012 deadline. Another of Plaintiffs' lead counsel has a bench trial in another matter scheduled for the week of December 10, 2012.

STIPULATION

THEREFORE, the parties stipulate and request that the Court order as follows:

1. The due date for the motion for preliminary settlement approval is continued from December 14, 2012, for a period of 30 days to January 14, 2013.

2. The parties shall attend a case management conference on January 18, 2013, at 1:30 PM.
