User Agreement

Subject to the terms and conditions of this Agreement, all System Software is licensed to users solely for personal, non-commercial use on the PS3™ system in the country in which the PS3™ system was designed by SCE to operate. To the extent permitted by applicable law, your rights to use or access the current version of the System Software will cease upon installation of a newer version of the System Software onto your PS3™ system, whether such installation occurs through manual or automatic download by SCE through SCE's online network, or otherwise. SCE does not grant any license to System Software obtained by users in any manner other than through SCE's authorized distribution methods. Your use or access to open source software or freeware included with the System Software is subject to additional terms and conditions set forth in the instruction manual or documentation for the PS3™ system or at <http://www.scei.co.jp/ps3-license/index.html>.

3. SERVICES AND UPDATES

From time to time, SCE may provide updates, upgrades or services to your PS3™ system to ensure it is functioning properly in accordance with SCE guidelines or provide you with new offerings. Some services may be provided automatically without notice when you are online, and others may be available to you through SCE's online network or authorized channels. Without limitation, services may include the provision of the latest update or download of new release that may include security patches, new technology or revised settings and features which may prevent access to unauthorized or pirated content, or use of unauthorized hardware or software in connection with the PS3™ system. Additionally, you may not be able to view your own content if it includes or displays content that is protected by authentication technology. Some services may
