4. COLLECTION OF INFORMATION/ AUTHENTICATION

SCE may retrieve information about your hardware and software for authentication, copy protection, account blocking, system monitoring/diagnostics, rules enforcement, game management, marketing purposes, tracking user behavior and other purposes. The information collected is not your personally identifying information. SCE may use DNAS (Dynamic Network Authentication System), a proprietary system designed to authenticate game titles and the PS3™ system when you connect the PS3™ system to a network, to collect this information. Any unauthorized transfer, exhibition, export, import or transmission of programs and devices circumventing DNAS may be prohibited by law. SCE reserves the right to use any other authentication or security system, or method in connection with the PS3™ system. You can find more information on how SCE or its affiliated
