Proposal

Sony PS3 "Other OS" Litigation matter

Presented by:

January 11, 2011

To whom it may concern:

We appreciate the opportunity to present this Proposal for Forensic Data Collection in the Sony PS3 "Other OS" Litigation matter.

Project Scope

- Image five Sony PlayStation®3 devices on-site:
 - Three 60GB PS3™
 - Two 80GB PS3™

Electronic and original paper documents can vary greatly in complexity as well as the level of effort required for processing. In the instance that TERIS encounters unforeseen issues and/or items not covered in this Proposal, *TERIS will contact the Client for a mutual agreement on procedures and/or costs prior to proceeding.*

If you have any questions, or need additional clarification, please feel free to contact us.

Respectfully submitted,

Kimberly Pruitt
Account Manager

Proprietary and Confidential Information

The enclosed materials are proprietary to TERIS and TERIS reserve all rights, title, and interest in and to such materials. The terms, conditions, and information set forth herein are confidential to TERIS and may not be disclosed in any manner to any person other than the addressee, together with its officers, employees, and agents who are directly responsible for evaluating the contents of these materials for the limited purpose. These materials may not be used in any manner other than for such limited purpose. Any unauthorized disclosure, use, reproduction or transmission is expressly prohibited without the prior written consent of TERIS.

Price Schedule– TERIS Forensic Collection

The unit charges and associated assumptions are based on specifications provided by the client and are contingent upon an inspection of the data and documents prior to the start of work. These prices have been included for any additional data that may need to be processed for production sets or local Concordance/other databases.

| Service | Price/Unit | Quantity | Extended |
|--------------------------------------------------------------------------|--------------|-----------------|-----------------------------------------|
| On-site Forensic Data Collection – Five Sony Playstation3 Devices | \$250 / Hour | ≈2-3* Hours/PS3 | ≈\$2,500 - \$3,750 |
| Expert Testimony (CCE) for collections (if required) | \$350 / Hour | TBD | \$ |
| Travel Time | \$125 / Hour | TBD | \$ |
| Media (Hard Drives) | \$250 / Each | 5 | \$1,250 |
| Total Estimate | | | \$3,750 - \$5,000 + TBD Charges and Tax |

*Estimate is based on a previous collection of a 2006 Sony PlayStation®3 device. The original drive was encrypted resulting in an encrypted forensic image.

Note to Above Pricing Schedules

TERIS will provide *Client assigned Project/Case Sponsor*, with any information regarding additional efforts and/or expenses associated with processing or hosting, which are outside the scope of this project prior to delivery.
