IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

KARUK TRIBE, KLAMATH-SISKIYOU
WILDLANDS CENTER, ENVIRONMENTAL
PROTECTION INFORMATION CENTER,
and KLAMATH FOREST ALLIANCE,

No. C 10-02039 WHA

Plaintiffs,

**ORDER REQUESTING
MAP OR DIAGRAM**

v.

TYRONE KELLEY, in his capacity as Forest
Supervisor, Six Rivers National Forest, and
THE UNITED STATES FOREST SERVICE,

Defendants.

Defendants are requested to file a one-page map or diagram that clearly and accurately depicts the following: (1) the location of the Orleans community; (2) the *full* area designated for implementation of the Orleans Community Fuels Reduction and Forest Health Project; (3) the treatment units in which implementation work has begun, and (4) the area encompassed by the Panamnik World Renewal Ceremonial District. Although the administrative record contains many maps, no map satisfying this description has been identified. In particular, the maps included with the environmental impact statements contain either too much or too little information to be helpful in this respect. If possible, the map or diagram should be filed by **NOON ON JUNE 10, 2011**. An electronic copy in .pdf format also should be lodged with the Clerk of the court.

IT IS SO ORDERED.

Dated: June 8, 2011.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE

United States District Court
For the Northern District of California
