CASE NO. C 10-02059-CRB

ORDER AUTHORIZING PROCESS SERVER
TO LEVY EXECUTION PURSUANT TO
C.C.P. § 699.080

Based upon the Declaration of David J. Cook, Esq., and finding that Attorney Service of San Francisco is a registered process server, having filed a certificate of registration with the County Clerk, San Francisco County Superior Court, and otherwise authorized to perform the services pursuant to C.C.P. § 699.080, and furthermore finding that the use of a private process server would serve the interest of justice in relieving the United States Marshal from effectuating certain types of services necessary to effectuate collection of the Judgment herein, and furthermore finding that the use of a process server is routine in the enforcement of a Judgment, and authorized by California law, which is applicable herein under Fed.R.Civ.Pro. 69 and Bkrtcy.C. § 7069, and upon ex parte application, and for good cause appearing, therefore,

IT IS HEREBY ORDERED that Plaintiff may employ the services of Attorney Service of San Francisco to perform the duties and responsibilities of a levying officer as defined under C.C.P. § 699.080.
