Changes & Cancellations

For quick and easy changes or cancellations to existing reservations, please visit jetblue.com and click on [Manage your flights](#).

For JetBlue Nonrefundable Fares, changes or cancellations may be made prior to scheduled departure for a fee of \$100 per person plus any applicable difference in airfare. Any remaining balance will be placed in a JetBlue air-only credit and may be applied toward future travel for one year from date of issuance. If a nonrefundable reservation is not changed or cancelled prior to scheduled departure, all money associated with the reservation is forfeited.

For JetBlue Refundable Fares, changes and cancellations for a full refund are permitted prior to scheduled departure. Such changes are subject to availability and any applicable difference in airfare. If a refundable reservation is not changed or cancelled prior to scheduled departure, all money associated with the reservation will be placed in a JetBlue air-only credit and may be applied toward future travel for one year from date of issuance.
