STIPULATION AND ~~PROPOSED~~
ORDER TO CONTINUE
CASE MANAGEMENT CONFERENCE

20 IT IS HEREBY STIPULATED by and between plaintiff County of Sonoma and
21 defendants Global Discoveries, LTD., and United States of America, through undersigned
22 counsel, that the case management conference currently scheduled for Thursday, December 9,
23 2010, be continued for approximately 90 days. The parties contend that a continuance of the case
24 management conference is appropriate because the other potential claimants to the funds that the
25 United States recently served have yet to enter an appearance in the case. One of these
26 claimants, Steven Bibler, has advised through counsel that he does not intend to pursue his claim
27 to the funds. The other potential claimant, Diamond A Ranchers Association, has yet to enter an
28 appearance in this action. If no timely responsive pleadings are filed in this action on behalf of

1 these parties on or about December 17, 2010, the government intends to seek a default judgment
2 against their interest.
